ADDENDUM #2

IFB #17-082

Shreveport Police Department Video Surveillance System

Bidders on the project are hereby notified that this addendum shall be attached to and made part of the above named solicitation documents dated August 18, 2016. The following items are issued to add to, to modify, and/or clarify the solicitation documents. These items shall have full force and effect as the solicitation documents. Bids, to be submitted on the specified bid date, shall conform to the additions and revisions listed herein. Failure to do so may subject the bid to being declared as non-responsive.

It shall be the bidder's responsibility to make inquiry as to any addenda issued.

1.0 Clarifications and Questions

- 1.1 Is it the intent to mount the camera inside of the box? The bid stipulates "front and side viewing port" which is odd for a PTZ camera. Would it be possible to get more details?

The cameras must be housed in a convert enclosure that has front and side viewing ports. The enclosure then will be mounted.

All questions must be submitted in writing. E-mail questions to Jeanette Watson at jeanette.watson@shreveportla.gov.

Continue to monitor BidSync and the City website www.shreveportla.gov/solicitations for any additional addenda.
